

DESOI PowerMix BRW-50

No. 12085

Description

The mobile mixer DESOI PowerMix BRW-50 is equipped with a cone agitator. The flow pattern produced by the special design of the cone agitator provides a uniform and gentle mixing of the material without air intake throughout the material container. The tilt mechanism allows an uncomplicated decanting of the material and easy emptying of the material container.

Material to be used

- Injection mortar
- Cement paste
- Sealing slurries
- Fine filler

Delivery range

moving device, motor with cone agitator, tilt mechanism, mixer holder, 40 litre material container, incl. instruction manual

Advantages

- Gentle mixing without air intake (no foaming)
- Uniform material mixing throughout the material container - no manual action required
- Easy decanting and emptying due to tilt mechanism
- Mobile, compact, lightweight
- Powerful

1. Cone agitator

2. Mixer tilted

Technical data

Supply	230 V
Motor power	1,3 kW
Speed - infinitely variable	250 - 580 U/min
Filling height	86 cm
Weight	20 kg
L x W x H - working position	53 x 60 x 121 cm
L x W x H - transport	53 x 60 x 95 cm
